

CALL FOR FELLOW NOMINATIONS

On or about May 15, 2008, the nomination period will open for the IEEE Fellow class of 2010. The rank of IEEE Fellow is the institute's highest member grade, bestowed on an IEEE Senior Member who has had an extraordinary record of accomplishments in any of the IEEE fields of interest. The deadline for nominations is March 1, 2009.

Senior Members can be nominated in one of four categories: application engineer/practitioner, research engineer/scientist, educator, or technical leader.

The Fellows Web pages contain information regarding the history of the IEEE Fellow program, the steps to becoming a Fellow, lists of Fellows who are eligible to be references, frequently asked questions and more. After the nomination period opens, the web pages will offer a Fellow Nomination Kit, downloadable nominations forms and the ability to complete and submit nomination forms online.
