Subject: IEEE Region 6 Teacher In Service Workshop

Calling all Engineers in Region 6!
Are you interested in working with your local schools, school districts and teachers?
Do you want to help impact the level of technical literacy of teachers and their students in your local community?
Did you know that there are materials and tools that you can use to help?

Then you should attend
IEEE's Teacher In-Service Program (TISP) Training Workshop!
November 7-8, 2008

The IEEE Educational Activities Department, Region 6 and the local Sections are hosting a TISP Training Workshop: November 7-8, 2008, at the San Francisco Marriott Downtown Hotel. Thanks to the support of IEEE USA and the IEEE Educational Activities Board the event is free for all IEEE members and invited educators! (IEEE will reimburse for travel-related expenses for this workshop.)

To register for the workshop, visit:
<https://icm3.ieee.org/eventmanager/onlineregistration.asp?eventcode=4JD>

The event will begin on Friday, 7 November at 4:30 pm with a 2 hour presentation followed by a dinner at 7:00 pm. On Saturday, 8 November, the event will run from 9:00 am to approximately 4:00 pm.

It will include hands-on presentations, a question and answer period as well as discussion on numerous topics such as: program background and scope, getting started, potential costs to sections and educators, suggestions on making contact with your local pre-university community, and the alignment of an activity with educational standards. Breakfast and lunch will be provided.

For more information on this upcoming TISP training session or TISP participation, please contact Yvonne Pelham, Manager of Educational Outreach, +1 732.562.5321, y.pelham@ieee.org or Jennifer Callow, Project Administrator, +1 732.562.5496, j.callow@ieee.org.
